**AUDITED FINANCIAL STATEMENTS 2017: CONSISTENT AND SUSTAINED SUBSTANTIAL GROWTH IN PERFORMANCE**

Angler Gaming PLC announces its Audited Financial Statements for the financial year ending 31 December 2017, which confirm a consistent and sustained significant growth in financial position of the Group.

The revenue in 2017 was 78% higher than 2016, reaching €12,487,075 (2016: €7,015,618) and resulting in a significant improvement in gross profit, to €6,188,779 (2016: €2,703,393) in absolute terms, which is an increase of 129% over 2016. The profit after taxation in 2017 (after taking into account extraordinary income of €2,080,030) amounted to €6,351,301 (2016: €1,138,464), and earnings per share on consolidated level improved to €0.0857 (taking into account extraordinary income of €2,080,030) (2016: €0.0156).

The Board of Directors recommends distribution of a dividend to shareholders amounting to €3,351,000 or €0.045 per share (without compensation for currency exchange costs).

The Audited Financial Statements for 2017 are available on the company's website [www.anglergaming.com](http://www.anglergaming.com)
