

PRESS RELEASE – ANGLER GAMING PLC

Angler enters into an agreement with gaming operator Vuetec.

Angler’s subsidiary Starfish Media N.V. has signed an agreement with the gaming operator Vuetec Ltd. The agreement will allow Starfish to provide direction and expertise to the actual operation of Dublinbet.com which will now operate on the Starfish gaming platform.

It is expected that the transition will be completed during Q1 2015, as highlighted in the Angler Gaming Q3 report

“We are happy that other gaming companies chose Starfish and the Starfish platform for their operations. It proves that our business-to-business model is working” commented Mike Bennett, CEO of Angler Gaming.

Don Bursill, Director of Vuetec said; “We look forward to being operational on the Starfish platform, which we believe will drive our operation further”.
