

New Northern Europe-focused brand launched today by

Angler Gaming plc's subsidiary PremierGaming Ltd

1 October 2018

Angler Gaming plc's fully owned subsidiary, PremierGaming Ltd, today launched its new brand ProntoCasino (www.prontocasino.com). ProntoCasino will initially be focused on Northern European market and promoted mainly through TV commercials and other traditional marketing, online marketing and via affiliates.

ProntoCasino, using Angler Gaming Group's fully owned proprietary platform and the 'pay and play' concept, offers its customers a variety of Slots, Jackpot Games, Table Games and Live Casino.

PremierGaming Ltd currently holds a Malta remote gaming licence and is gearing up towards the opening of the Swedish online gaming market by preparing its Swedish licence application.

PremierGaming's results will be next presented in the Angler Gaming Q3 report to be published on 7th November 2018.
